## 1. Memories

Hi readers! Its my first time to write a story. This story is always on my mind and sorry for bad English. And I hope you like it.  
Enjoy!

\*\*Disclaimer: I do not own PokÃ©mon\*\*

In a unknown place, there is a mansion like house surrounded by the beautiful trees bearing useful & yummy berries, bunch of Pokemon playing, fighting, & sleeping, & three fountains, two of them is positioned between the road which leads to the front door with water on it, & the another one is located at the back of the house with bunch of Pokemon foods flows in it so the Pokemon around may eat as many as they can every time they want. This fountain is different than the other two which is the style is the same that we mostly saw. It is circular in shape if it view in the sky. Underneath of it, there is factory like machines that can make bunch of pokÃ©foods in just one minute. Believe it or not, it is actually invented by a PokÃ©mon owned by a man standing in the balcony of the 'mansion'. He has a blue spiky hair (like brock) wearing blue colored t-shirt with a sky blue vest. He also wearing black jeans with an device called "megadex", which can allow a trainer to bring many PokÃ©mon. It also features the data of any PokÃ©mon, list of berries, TMS, HMS, contacts, etc.

"Its been 5 years buddy since my 'friends' broke my heart" he said to his best friend standing on the has oval, black eyes, large ears with

light green insides, and a tiny, black nose. There is a broccoli-like sprout atop its head. In the sprout's foliage are three yellow, tapered seed-like shapes. If eaten, the leaves in this sprout can alleviate exhaustion. Its muzzle, upper body, and skinny forelimbs are cream-colored, and its hands seem to have no fingers, aside from a thumb. Its lower body is green with small feet, and its long tail is tipped with two leaves.

\_ "Yeah, but they already feel the pain that you feel Ash" \_ He answered in sadly tone

"I know Pansage" Ash started

### 3. The Electro Dew

\*\*Thank you guys for reading my story. By the way, I'm disappointed to the authors that writing a chapter 1 but didn't continue the story. There is also some hints of any shipping but that's not focused on the story. Enjoy!\*\*

\_ "Ash! Your Pikachu was kidnapped by Team Rocket! \_A PokÃ©mon shouted approaching Ash wearing a lab coat. It is a bipedal, primate-like PokÃ©mon that is primarily reddish-brown with sections of white fur on its chest, head, and lower legs. Several gold markings adorn its body: swirled, circular ones on its knees and shoulders flame-shaped ones on the back of its hands, and a stripe around its back that forms two swirls on its chest. On top of its head is a large flame, which is never extinguished. Infernape has an orange, rounded muzzle, long, round ears with blue inside, and a red ridge over its eyes. The eyes themselves are blue with yellow sclera. There are five blue digits on both its feet and hands, and it has a long tail. He is also an inventor and a programmer.

"I don't know why they want Pikachu but an old friend of mine says that he's special" Ash answered with a sad look standing in the doorway with Pansage sitting on his shoulder.

\_ "Maybe Chespin know, he's currently studying about an Electro Dew." \_Pansage suggested.

"Electro Dew? What its relation to Pikachu?" Ash asked

\_ "I don't know, but he said that there's a PokÃ©mon holding it but it didn't activated yet" \_Pansage answered

"Okay, let's ask him about it." Ash said receiving nods from Pansage and Infernape.

The group walk into the research room and notice a picture of a circular object with electricity inside in computer and Chespin reading books.

This Chespin has the highest IQ that put any professors to is a bipedal, mammalian PokÃ©mon. It has a light brown front with dark brown arms and three triangular markings on its face. There is a tough, green shell covering its back, which extends from its head to halfway down its tail. There is a small, off-center hole in the shell on the back of Chespin's head. The shell can protect Chespin from powerful attacks. Around the face, the shell has four leaf-like spikes, and one split into three parts on the back of its head. These quills are typically soft, but Chespin can stiffen them and use them for attack as well. Chespin's oval eyes are brown, and it has a triangular red nose and rodent-like incisors. Its arms have three fingers, while its feet have two long claws. The visible part of its tapered tail is orange. \_"What can I do for you Master? \_He asked

"I just want to know about Electro Dew and its relation to Pikachu"  
Ash answered

\_ "Electro Dew? Well, it is a unique item that may give a PokÃ©mon an electric powers if the PokÃ©mon whose holding it isn't an electric type and may boost the power of a electric type PokÃ©mon whose holding it." \_Chespin explained \_"It has an unconditional power that may put any electric type legendary PokÃ©mon to shame. And its relation to your Pikachu, maybe he have it but not yet activated" \_

\_ "What do you mean?" \_Infernape asked with curious look

\_ "Electro Dew is located inside the body of a PokÃ©mon, its one of a kind, and it holds the aura, spirit, and the power of PokÃ©mon that holding it. If removed, the PokÃ©mon will die.\_

"WHAT! "

\_ "Also, It can activated by a PokÃ©mon who have a great bond to its trainer, a strong aura, and kindhearted. And.. that's only that I know." \_Ash sighed, \_"And the PokÃ©mon who have it is unknown. If Pikachu have it, he is in danger" \_

"Danger?"

\_ "Yes Master, Infernape told me that Team Rocket kidnapped him and Electro Dew may be the reason. And also Team Rocket have Charon, former Team Galactic, and he probably knows about it. So hurry up before its too late." \_Ash nodded

\_ "And also I already hacked Team Rocket database so I can see their files." \_Infernape claimed

"Thank you Chespin you're genius" Ash praised, "And Infernape, Do you know the location of their headquarters?"

Infernape nodded, "And Infernape, watch the cameras while I was in there and Chespin you're in charge of transmitter so I can exchange the PokÃ©mon that I want" he told them and they nodded.

"Prepare yourself buddy because we will attack their headquarters and

save Pikachu." He told Pansage sitting on his shoulders.

\_ "Right" \_Pansage nodded with determination.

In Team Rocket HQ

"The machine is ready sir!" One of the grunts told Charon.

He nodded and the grunt adjust the switch. There is an electricity appeared in the mouth like part of the machine pointing to body of an unconscious Pikachu and starting to absorb something from body.

Pikachu wakes up and cried in pain. He can't use any electric type moves because his power is continuously absorbing by the machine.

"Okay, adjust the level!" Charon told the grunts.

After they adjust the level, the machine runs faster than the usual and Pikachu sshouted harder in pain.

Just like Charon expected, a circular object appeared from Pikachu's body and it just look like an Electro Ball.

"HAHAHAHAH! THE ELECTRO DEW IS OURS, NOTHING CAN STOP TEAM ROCKET TO RULE THE WORLD!." He claimed, "HAHAHAHAH"

Back at Ash's house

\_ "Oh no! The Electro Dew was removed from Pikachu's body! You need to hurry Ash! \_Infernape said panicking.

"Calm down my friend, panicking won't help." Ash said calmly looking at the cameras of the headquarters.

The computer is big which is their camera from outside world. It already hacks all cameras around the PokÃ©mon world with satellite from the space as its antenna. It is located on cam room of Ash house. It is also have 8 tiny monitors, 2 from the left side, 2 from the right side, and 4 from above. Those monitors are the camera of Ash's house, inside and outside.

\_ "Well then let's go." \_Pansage said with determination.

\_ "And also I will give you some of my useful inventions, Master" \_Infernape added.

Ash nodded, "Prepare to trouble, Team Rocket "

\_ "And we will make it double" \_Pansage added with giggles.

Ash smiled, "Are you ready buddy?"

\_ "Yep, always ready Ash. We will save your original buddy my friend" \_Pansage proclaimed.

Ash nodded

Will Ash saved Pikachu from Team Rocket? What is Team Rocket planning

involving the Electro Dew?

#### 4. The Grunts and The Two Idiots

\*\*Here's the Chapter 4\*\*

\*\*Enjoy!\*\*

"Infernape's inventions are great" Ash said as he shut down the machine with many Team Rocket grunts sleeping inside while standing in the front of Team Rocket Headquarters.

The machine is like the vacuum cleaner but the difference is it have a long nose like tube with switches from the sides. There is a big box on its back. Inside of the box, there is a gun like thing in the ceiling that release the Sleep Powder and other useful things.

\_ "I know" \_Pansage said nodding while holding a gun like thing invented by Infernape, \_ "And this will finish it" \_He added as he shot at the machine and make it disappear.

Ash smiles, "Let's go" He said to Pansage as they went inside the building calmly.

In Lumiose City

The machine appeared in the front of the tall tower that gets the attention of Max's group that blocking their way.

"Wow, what a great invention" Clemont praised, inspecting the machine.

"Are you sure that you didn't invented this?" Max asked.

"My brother can't invented cool machines like this" Bonnie answered

"WHAT! My inventions are cool like Clembot!"

Bonnie sighed, "And look it says 'The Giant Vacuum Cleaner'" Serena told them reading the name of the machine written on its side getting the attention of the group.

"Yeah, science is so amazing!" Dawn praised as Clemont notice the long tube.

"Hmmm let's try this button" Bonnie said as she switch the machine on while Clemont looking inside the tube.

"WAAAAAAAH!" He shouted as the wind blows to the tube forcing him to get inside.

"CLEMONT!" The group shouted in concern as Bonnie turn off the machine and runs to the tube and look.

"What did I do?" Bonnie frowned.

"It wasn't your fault Bonnie" Max told her with his hands on her shoulder.

"What we will gonna do?" Bonnie asked

"I don't now" Serena answered, "But I'm scared that there will be a scissor like thing that may cut Clemont in pieces!" She added in scary tone.

"WHAT! MY BROTHER-"

"STOP THINKING LIKE THAT SERENA!" Max said interrupting Bonnie

"Huh, I'm sorry, my mouth is always releasing scary words" Serena apologized with her hands covering her mouth.

"I'll try this" Dawn said pushing a button from the Machine that gets the attention of the group.

The machine react as the giant box on its back opened and releasing Clemont and the sleeping grunts leaving the shocked faces from the group.

"What a relief, I don't want to stay with these rocket grunts in one place." Clemont said as he stood on the mountain made of human and jumped in the front of Dawn.

"Are you okay brother?" Bonnie asked, "I'm sorry" she added, apologizing.

"I'm okay Bonnie" Clemont answered, "It wasn't your fault" he added.

"A bunch of rocket grunts" Max said

"Let's tell the police-" Dawn said but interrupted by the noise of the police mobile.

"What's going on in here?" The officer asked.

Back to the Rocket HQ

"Stop right there!" A woman said

"Well its Cassidy and Butch, its been a long time" Ash said calmly leaving a curious look from the rockets.

"We don't know you but you need two beat us first before you can pass through here" The boy in the name of Butch told Ash

"And me and B\*\*ch prepared will crush you" Cassidy claimed holding a pokeball.

Ash and Pansage fell down, anime style. "MY NAME IS BUTCH!" Butch yelled in anger.

"Perhaps, saying a bad word huh, not very good for kids" Ash warning them, standing.

"Oops, I'm sorry, its too hard to tell his name." Cassidy said

covering his mouth with hand.

"Okay then I don't want to waste my time on you." Ash said releasing Talonflame, "Used Flamecharge" he commanded as Talonflame's body covered in flames approaching Cassidy and Butch.

Before the rockets released their PokÃ©mon, Talonflame hit the with his move resulting in explosion. "Hey, that's unfair." Cassidy protested as Ash approach her.

"Yeah but who are you?" Butch asked.

"I'm sorry, but I'm in hurry now." he said as Pansage shot them with a gun and turning them into stone.

\_ "That's so easy" \_Pansage said as Ash returned Talonflame on its pokeball.

"Yep, but prepare for the hardest one." he told Pansage.

As Ash walking in the corridor with Pansage, Giovanni is watching him. "Who is this trainer?" he thought.

"Sir, what are we going to do know?" A voice from the back asked.

"He beats the grunts, Cassidy and Butch easily". Said by another voice

"You guys made him busy and don't let him approach Charon's lab." He told them

"Right" As the figures disappear, he look again to the running Ash in the monitor, "I won't let you destroy my plan" He thought.

Do you guys like the funny scenes in this Chapter.

What is Giovanni's plans? Could Ash stopped it? Who are those figures?

"Well two ways." Ash said but thanks to Infernape's Megadex, he can see the map of the Rockets HQ.

\_ "Let's keep going" \_Pansage told Ash.

"Yeah but wait" Ash said releasing a Pokemon from its pokeball.

It was a bipedal, canine-like PokÃ©mon, with fur that is predominantly blue and black. It possesses a short, round spike on the back of each forepaw, in addition to a third on its chest. It has a long snout and ears. When its mouth is open, it has two pairs of pointed teeth, one in the upper jaw and one in the lower. It possesses cream-colored fur on its torso, and blue fur on its thighs

that resembles shorts. It has a medium length tail of the same blue color as well. It stands on its toes rather than on its entire foot. It has developed four small black appendages on its head, which rise when it reads or manipulates aura, a special energy that it senses. It can study this energy to predict the movements of their opponents and track their quarry. They also have the power to manipulate this energy in an offensive manner, in the form of explosive spheres of energy. It can understand human speech, and have been reported to communicate with humans through telepathy. \_"What can I do for you master?" \_It said.

"Lucario, you should go this way and check if there was a captured Pokemon on the rooms. I counting you my friend." Ash told him.

\_ "Right master" \_He said as he walk away while Ash went to the other.

"The are lots of room's around" Ash said. Before Pansage spoke up, he notice the the 4 figure standing in their way.

"Prepare to lose man" One of them said.

"The galactic and the hunter? I'm not suprise." Ash said

"Who are you? What do you want? How do you know us?" Some of them asked.

"That's none of your business" He said releasing a Pokemon.

"Well then let's go" One of the figures said releasing his Toxicroak followed by Purugly, Skuntank, and Salamence.

"Salamence! Use Hyper Beam", J commanded.

"Dodge that"

Salamence opens its mouth and a orange appears in front of its mouth. It then fires a beam of orange energy from its mouth at the opponent but Garchomp quickly dogde the move.

"Here we go! Purugly use night slash." Mars commanded

One of the claws of Purugly turns into purple as it dash to the opponent but Garchomp dodge it quickly.

"Let's finish this quickly, Garchomp use Judgment."

Garchomp jumps and releases multiple orbs of energy from its mouth. The orbs then shoot down and crash into the opponents resulting in explosion.

"Aargh, how can that Garchomp learned that move?.." Saturn asked in madness

"Its Arceus' signal move" Jupiter added

"You gonna pay for this! Sala- huh" J told the smiling Ash but gets interrupted after noticing their unconscious PokÃ©mon.

"WHAT! Just one hit!" Mars said in shocked tone.

"Sorry, but I need to go" Ash told them as he took a gun, shooting them, and turning them into stone. He also returned Garchomp to its pokeball while passing through the unconscious Pokémons.

\_ "What about those Pokémons?" \_Pansage asked.

"Well we will let them free soon" Ash answered as he keep running thought the corridor checking every room he passed while Lucario..

\_ "There's nothing interesting in every rooms" \_he thought as he opens a door of a room and he notice a unconscious Pokemon in a cage.

It has a quadruped, yellow, tiger-like Pokémon with black stripes and a white underside. It has a thin, light blue tail with sharp angles and a spark-shaped formation at the end. Its mane looks like dull purple rain clouds and allows it to shoot bolts of lighting. Most of its face consists of thick, white fur and shorter yellow fur around its red eyes. Its muzzle is a light blue "X" and it has a black faceplate with two bumps that covers its forehead, nose, and ears. It has two long fangs that make its appearance similar to the saber-toothed cat. Its large claws each converge to form a single point and never retract. Extra fur hangs off its body in front of its rear thighs.

\_ "Raikou" \_He said

In Lumiose City

"Where did those rocket grunts came from?" Max asked as his group went inside the gym.

"We don't know" Bonnie answered sitting on the bench.

"Yeah its a mystery" Clemont said.

"Hmmm 150 grunts, that's too much" Serena added.

"But the most important is they all in the jail now so no need to worry " Dawn told them receiving nods from the group.

In Pallet Town

"How's Mimey?" Delia asked in worry as she saw Mimey lying unconscious on the bed.

"He's doing fine Delia he needs to rest" Prof. Oak answered.

"Those rockets, they will pay for this" Gary proclaimed.

"Calm down Gary that won't help" Tracey told him.

"Pikachu be safe ..." Delia whispered to herself.

\*\*Yay! Ash have a Lucario and it saw an unconscious Raikou.\*\*

## 6. Lucario VS The Executives

\*\*This chapter features Lucario's battle. Enjoy.\*\*

As Lucario opened the cage, Raikou wakes up and attempts to fight him.

\_ "I'm not an enemy Raikou, me and my trainer came here to end team rocket and he told me to look for any PokÃ©mon to free to wild" \_He told Raikou.

\_ "HOW DO... I... BELIEVE... IF YOU... ARE TELLING... THE... TRUTH?" \_

\_ "I don't have proof right now Raikou, all I need to do is get you out of here... but... the problem is you're too weak to move.

\_Lucario told him.

Before Raikou spoke, a blue energy appeared in Lucario's hands and throwing it into the doorway hitting a human before it went to the room.

The human can be seen through the smoke. He has a green hair wearing Team Rocket uniform. "Why you.." He said as he looked up and saw Lucario standing in front of him with gunpoint.

"A PokÃ©mon is a killer" he said but Lucario shooks his head as he aim the gun to the executive and turned him into stone leaving a shock Raikou.

\_ "Pretty easy huh" \_Lucario said as he approaches Raikou.

\_ "Why... did you... kill him?... We... created... to protect... this world... not... to... kill anyone..." \_Raikou said

\_ "I didn't kill him, I just turned him into stone and I can turn him back to normal but I will not do that because he's evil." \_Lucario explained as he attached the wires into Raikou's body.

\_ "This will help you" \_he said as he turned the machine on giving electricity to Raikou and made him good as new.

\_ "My power is back and I owe you for this" \_Raikou proclaimed

"Oh no!" A human shouted as he saw the stoned body of Proton on the way leaving a confused look from Lucario, "What do you think your doing Lucario?"

\_ "Is that your trainer Lucario?" \_Raikou asked

\_ "Nope not him, he was disguise as my trainer" \_Lucario answered

\_ "How did you know?" \_

\_ "He has a dark aura and I knew that my trainer is not childish" \_

\_ "Okay" \_ Raikou said as he fires a Thunderbolt to the human but it missed. He fires another one and it hits.

"Arrgh.." The human shout in pain but Lucario turn him into stone quickly.

\_ "That's Petrel, the master of disguise" \_ Lucario said as he walk besides Raikou, \_ "Why did Team Rocket caught you?" \_

\_ "They want to used me to ruled this world with the help of Electro Dew located inside the body of a certain Pikachu" \_ Raikou answered

\_ "Well, thank you for the information Raikou. I need to go and look for any PokÃ©mon they caught while you get out of here" \_

\_ "No, I will help you, I owe you a lot" \_

\_ "Umm OK" \_

Both Lucario and Raikou walk together as they look every room they pass but Lucario jumps as he feel a rope that trying to get the gun on his back and holded by a woman"

"You will pay for what you did to Proton and Petrel" she said releasing her Arbok and Vileplume.

"Vileplume use Sleep Powder on Lucario, Arbok use Sludge on Raikou." She commanded as her PokÃ©mon respond but their missed as Lucario disappeared and appeared at the back of Ariana and turned her into stone while Raikou used Thunderbolt on her PokÃ©mon making them unconscious.

\_ "Well, let's keep going" \_ Lucario told Raikou.

Raikou nodded, \_ "How did you disappear?" \_

\_ "Teleport, you didn't know that move?" \_ Lucario asked

\_ "I know that move but I didn't know that Lucarios can learned it" \_ Raikou answered

\_ "There's nothing impossible if you have a determination" \_ Lucario told him

\_ "And..." \_ Raikou stopped as he saw a human standing in their way.

\_ "Its Archer, one of the rocket executives" \_ Lucario told him.

"Well, well, well I'm afraid that this is the far that can you get" Archer proclaimed as he use a machine that starts controlling both Lucario and Raikou. Unexpected by Archer, Lucario dash into the him and used Cut to destroy the machine.

"Impossible! You'll pay for this" Archer said in madness as he release his PokÃ©mon. "Houndoom! Blast Burn" He commanded as Houndoom punches the ground, sending a wave of energy into the earth which then moves underneath the opponent which Lucario blocked with his Rock Tomb (Serena's Pancham version) resulting in smoke.

"How could you..." Archer started but stopped as he saw Lucario dash and use Aura Sphere on Houndoom sending it fly towards him.

\_ "I'll finish this!" \_Raikou declared as he use Volt Tackle sending both Archer and his Houndoom sending them fly to the wall. He also snatch Lucario's gun, putting it on the ground, aiming, and shot them turning them into stone. \_ "Justice is served" \_He said as Lucario take the gun and put it on his back.

\_ "Nice one my friend but you supposed to tell me something before we encountered this man." \_Lucario told him while walking through the stoned Archer and his Houndoom.

\_ "Well, I just want to know about your trainer. He raised you well." \_Raikou replied

Meanwhile, Ash beats Domino and turn her into stone. He look at the device and sighed. "Were almost there buddy" He said to his friend sitting on his shoulder.

\_ "Yeah, I hope Lucario is fine." \_Pansage replied in worry

"He's fine, he was a great fighter" Ash said as he runs through the empty way.

Unknown to them, the PokÃ©mon of the former Galactic and J's Salamence wanders around the headquarters holding their pokeballs.

\_ "This is like a maze, how can we find that trainer?" \_Skuntank protested

\_ "Just keep walking" \_Purugly told him

\_ "But still, I can believe that Garchomp used the move Judgment" \_Toxicroak praised

\_ "THAT'S THE 20TH TIMES YOU SAID THOSE WORDS" \_Purugly yelled

\_ "Calm down, that's won't help and also that move almost made us unconscious" \_Skuntank said

\_ "Yeah our acting really works." \_Toxicroak added

\_ "And I feel that trainer is Ash" \_Salamence claimed

\_ "You mean Ash Ketchum?" \_Purugly asked

\_ "Yeah, He possibly went here to save Pikachu" \_Salamence answered

\_ "But no one know his whereabouts even his friends" \_Toxicroak said

\_ "I didn't saw a beautiful eyes like him in 5 years but that trainer have it and also I saw Ash riding on a Dragonite with a Pansage on his shoulder." \_Salamence explained

\_ "And why he left Pikachu to his mom on Pallet?" \_Skuntank asked

\_ "Pikachu blame himself on Ash loss on Kalos league" \_A voice said from the other way approaching them. \_ "What do you want on him" \_

\_ "Its a... Lucario..." \_Skuntank said

\_ "And that's the Raikou that Cassidy and B\*\*ch caught in Johto" \_Purugly added made everybody fell down, anime style.

\_ "You said a bad word Purugly" \_Salamence told her

\_ "Oops I'm sorry" \_She apologized

\*\*Lucario saves the day. He saves Raikou, and beat the executives.  
\*\*

\*\*Why Salamence and his friends looking for Ash? What is their plan?\*\*

## 7. The End of Team Rocket

\*\*Alright, here's the battle that are we waiting for. I hope you like it.\*\*

\*\*Enjoy!\*\*

"Here were are buddy, are you ready?" Ash told the grass monkey PokÃ©mon.

\_ "I'm ready my friend" \_Pansage answered as Ash opens the door and saw Pikachu lying inside of a machine shouting in pain. There is two men can be seen, the first one stood in front of Ash and the other one is operating the machine.

"Welcome boy, I was surprise that you beat all my grunts and my commanders easily. I'm afraid that I'm the last one you gonna battle in your life" One of the men said with a Persian on his side.

"Looks like Lucario did his job and Pikachu... I'm coming for you" Ash thought, "I prepared for this battle Giovanni so do not underestimate my power" He said calmly.

"No more talk boy, no one can beat Team Rocket so prepare to lose" Giovanni declared as he releases his Nidoking while Ash release his Goodra.

"Bad choice, use Ice Beam" He commanded as Nidoking fired a beam made of ice to Goodra and made him froze. "Choose your next PokÃ©-" He stopped as he saw Goodra broke free.

"Its my turn" Ash stated, "Goodra use Blizzard" He commanded as Goodra fires an icy wind filled with small snowballs from its mouth at Nidoking.

"Nidoking counter it with Flamethrower"

"Rain Dance"

Nidoking opens his mouth and fires the Flamethrower to block the Blizzard from hitting him and overpowered it but Goodra's Rain Dance shut down it and made the floor and the machine wet.

"Okay, let's end this with your thunderbolt" Ash commanded

"What! Are you crazy?" Giovanni asked in shock tone.

"Nope, I'm serious"

"Grrr don't let it use it, use Ice Beam on the floor" Giovanni yelled as Nidoking froze the floor before Goodra fires his Thunderbolt. Unfortunately, the Thunderbolt hits Nidoking and made it unconscious.

"I expected that from Team Rocket leader and is the first time that I saw you panicked in the middle of a battle." Ash commented.

Giovanni glared at him and returned his fallen PokÃ©mon. "You got lucky but not this time" He said as he release his second PokÃ©mon.

"Hippowdon" Ash said, "Return Goodra, you deserve to rest" He added as he return his PokÃ©mon and release another one.

"Hmmm, this is going to be easy. Earthquake!" Giovanni declared

"Really, you want to destroy your own place, well, I am the one who gonna destroy this place. Use surf Buizel." Ash said

As Hippowdon started to use the move, a wave of water appeared and hit the ground type PokÃ©mon. It tried to get up but it didn't and lay unconscious.

"How could you..." Giovanni started but stopped as he release another PokÃ©mon "Use Aerial Ace" he commanded

"Thunderpunch on the floor"

Honchkrow wings glows as it approach Buizel but get shocked after an electricity flows from Buizel's Thunderpunch to his body.

"Use Bravebird"

"Buizel you know what to do"

Honchkrow's body engulfed in electricity and fly towards Buizel but Buizel forms multiple orbs and fires energy beams from them hitting Honchkrow.

"That's the Origin Pulse how that Buizel learn that move" Giovanni

though as he returned Honchkrow and release another one.

Ash returned Buizel and release another one. "Aggron use Thunderbolt!" Giovanni commanded

"Use Flame Charge"

Aggron's body engulfed in electricity while Talonflame's body engulfed in flame absorbing the approaching electricity and hit Aggron.

Giovanni smiles, "Catch it" he commanded as Aggron stopped the Flame Charge and caught Talonflame.

Ash didn't react as Talonflame releases a beam of energy from its mouth hitting Aggron and made it unconscious.

"Another signature move from a legendary" Giovanni thought as he returned his PokÃ©mon while Talonflame approach Ash. "How did those PokÃ©mon know those moves" He asked

"Why should I tell you? you didn't deserve to know." Ash told him while returning its Pokemon.

Charon stares in horror as he saw Giovanni returned his 4th fallen PokÃ©mon. "That kid must befriended many legendaries but I won't let destroy my plan" he thought as he upgrade the machine and made it work faster.

Giovanni release his second to the last PokÃ©mon while Ash choose Pansage.

"Golem Rollout" Giovanni commanded as Golem rolls toward Pansage.

"Rock Tomb" Ash commanded as Pansage created a pile of rocks before Golem hits him and push it backwards.

"Rock Throw" Golem starts to throw rocks at Pansage but Pansage dodge all of them and dash to him.

"Leaf Blade" Pansage's hands turn into greenish sword and slash Golem resulting in explosion.

Lucario's group notice Pansage's victory against Golem as they entered the room. \_ "We need to save Pikachu before they succeeded to get the Electro Dew from its body or he will die." \_Raikou told them and get nods from everybody.

But they are too late, Charon already holds the Electro Dew and give it to Giovanni. Ash and Pansage stared at Pikachu's body inside the machine and look to Giovanni.

"You can't stop me now. With this, I can ruled the world with my Persian!" Giovanni declared as he gave it to his Persian but there's an invisible force that prevents Persian to touch it. "Charon, why Persian can't touch it?!" he yelled in anger.

"Your Persian doesn't have a strong aura and its not kindhearted." Ash answered as he still think Pikachu's condition and a life without

him, "Pikachu.." he thought.

"No you're lying!" Giovanni shouted in anger while the Electro Dew floats from his hand towards Pansage and enters on its body leaving a shock expression from everybody in the room. "Nooooo!" Giovanni yelled.

Pansage feels its new power but still worried about. \_"Promise me to take care of him, Pansage, make him the champion of the champions" Those words echoed on his mind and he stared at Pikachu's body. \_"Pikachu... our promise... I'll fulfill it..." He whispers to himself, \_"I'LL FULFILL IT!" And shouted as he engulfed in electricity and change its appearance.

Its body turn into bright yellow. Its broccoli-like sprout atop on its head turned into bolt- like hair style. There's a shuriken like with an appearance of a bolt on his back which is called Bolt Gun. And the end of his tail turned into the shape of diamond.

Everybody looked at him with mouth opened until Giovanni commanded his PokÃ©mon, "Persian! Power Gem".

The jewel on Persian's forehead glows red and it fires a pale pink beam of energy with a bright white energy around it from the jewel at Pansage but Pansage picks his Bolt Gun and fired a beam made of bolt which it overpowered the Power Gem and hits Persian.

The ceiling of the headquarters destroyed by thunder from the clouds created by Pansage. Some of the bolt hits the machine, Giovanni, and Charon. The machine exploded and Lucario dash and caught Pikachu.

Lucario notice the bolts everywhere and shouted at his group, \_"Hurry guys, get Ash and get out of here while I'll find another way" He yelled.

Everybody nods as Raikou lift Ash with a shocked expression from the trainer. \_"Return yourselves on your pokeball and Ash will hold your pokeball." He told them and runs to the other room.

\_ "And be on his team" Salamence added as he and the others disappeared in a red beam of light. Ash didn't hesitate and took the pokeball and put it on his bag.

Raikou runs fast as he can through the corridor. With the help of the Megadex, Ash tells Raikou the way out so they leave the building safe.

"Here's the Oran berries, it get your energy back" Ash offered to Raikou and Raikou ate it.

The building engulfed in strong massive electricity and destroy it completely. A reporter notice it while riding on the helicopter and take a cover on it. Her report broadcasted live in the whole world getting the attention of everybody.

After the electricity disappears, Ash now hooded and Raikou went to site and notice the unconscious Pansage, Giovanni and his Persian, and Charon on the ground, "He use all his power to destroy team rocket." Ash said as he took Pansage.

\_ "And put me to shame" \_Raikou added as he saw Giovanni, Persian, and Charon turned into stone and saw Lucario standing nearby, \_"Here's Pikachu" \_It said.

Ash took Pikachu from Lucario's hand and hugged both him and Pansage with tears flowing to his cheeks.

The world notice this scene and feel their sympathy to the trainer. Prof. Oak, his grandson Gary, Tracey, Delia, and Mimey watch together with worried look.

"Who is that man? Why he's hugging Pikachu?" Tracey asked.

"It could be Ash" Gary answered

"I agree, Ash also have a Pansage" Prof. Oak said as he saw Ash returned his Lucario.

Delia didn't react and just stared on the TV, "Ash, Pikachu" she whispered in worry tone.

In Striaton City, Cilan and his brothers just stared on the tv, none of them react. In Lumiose PokÃ©mon Center, Max and his friends shocked at the scene because they know that Pikachu kidnapped by Team Rocket.

Back to Ash as he wipes his tears, "I think its time to us to go, Team Rocket is gone, and my job here is done" He said, "Well then... huh?" he stopped as he saw Raikou paws touch his hand.

\_ "Can I go with you? You proved that you are a worthy trainer of any PokÃ©mon including legendaries and Lucario told me all about you" \_It said as Ash stare at him with a surprise look.

"Are you sure?" He asked as he holds an empty pokeball which Raikou nodded. Raikou pushes the button of the pokeball and disappear in red light leaving a shock expression from everyone in the world. Afterwards, Ash opened a portal and walk through it and disappears.

\*\*Sorry for late update. And now, Team Rocket is gone, Pansage change its form and Ash caught 5 PokÃ©mon including Raikou.\*\*

\*\*What will happened to Pikachu and Pansage?\*\*

\*\*What's Ash next plan?\*\*

\*\*Stay tuned.\*\*

## 8. Goobye Pikachu

\*\*Here's the saddest chapter so far. I hope you like it. Enjoy.\*\*

"Pikachu... thank you for the memories... for the fight... for protecting my mom... for the love... and for trusting me as your trainer." Ash said, crying and holding Pikachu with his PokÃ©mon behind him cryingg. Some of them blame themselves after they blame

Pikachu on Ash loss on Kalos league.

"Its too hard... to let you go... but I... have... no choice" Ash added as he sits in the front of a grave were he will buried Pikachu. It has a statue of Pikachu with its hands crossed. It is located under Ash house.

"Pikachu... wherever you are... don't forget me... I... love you..." He cried as he hugged and kissed Pikachu on his forehead. He put the body on a small box with a glasses on the front of it and place it inside the grave. He closed the small door of the grave and locked it. "You deserve an everlasting rest... buddy... I'll gonna miss you..." He said wiping his tears and walks away from the grave.

After three days, Pansage woke up in the health room of Ash house. He remembers what happened before he went unconscious but thinks about Pikachu's whereabouts.

\_ "Oh dear, Pansage is already awake" \_The nurse shouted in joy as two more nurses enters the room with a big smile.

\_ "This is a good news. I will call master Ash immediately" \_Nurse Blissey told them as she left the room.

\_ "We're glad that you awake now. You went unconscious in three days" \_Nurse Wigglytuff said leaving a shock expression from the grass monkey.

\_ "Yep, but we will check your stats first before you can climb on master's shoulder." \_Nurse Audino joked as she check on the monitor besides the bed while both Pansage and Wigglytuff sweat dropped.

Pansage is about to ask something when nurse Blissey and Ash enters the room. "Pansage, you make me worried" Ash said in worry tone.

\_ "But I'm okay now" \_Pansage claimed, \_ "And where's Pikachu? Is he okay?" \_He asked.

Ash and the nurses have a sad look, "I'm sorry buddy but I'll gonna answer your question later" He said.

\_ "Ta da! Looks like Pansage is fine now so he can come with you again master" \_Nurse Audino told Ash interrupting Pansage.

"That's great" Ash smiled as he heard a growl from Pansage stomach, "But you need to eat first" he chuckled while Pansage blushed in embarrassment.

10 minutes later, Pansage finished eating and rubbed his stomach while Ash give him a smile. "Well then let's go, you need to see something" Ash told him. Pansage happily jumped on Ash's shoulder as Ash walked to the underground.

As Ash opened the light, Pansage saw a statue that made him shock. He saw some words written in the statue that made him cry, \_ "RIP Pikachu, you will always in our hearts". "No... it can't be..." \_He whispered.

"Pikachu sacrifice his life to stop Giovanni ruling the world by passing the Electro Dew to you" Ash told him sadly.

\_ "What... what... do you... mean?" \_He asked as he look to Ash with tears.

"According to Chespin's research, the owner of the Electro Dew can control it if it removed from its body. That's why Giovanni's Persian can't touch it and also Pikachu choose you as the new owner" Ash explained

\_ "But... why are you... still... smiling... after what happened?" \_

"Because of you" Pansage shocked, "You know, you are also important to me" Ash said hugging him, "You are also my best friend. My family, friends, and even my PokÃ©mon made me happy."

\_ "But Ash..." \_

"You forgot that we've been together in 5 years right? You gave me the love, care, and trust that Pikachu gave me. You gave me the happiness that some of my friends take away from me. And I know you made a promise right? Whatever happens in the future, you should fulfill it." Pansage cried hard as he heard those words while Ash hugging him.

"You can go back to Cilan if you want, I won't stop you..." Pansage shocked, "...or you can promise to me that you will stay with me together buddy, its your decision my friend" Ash continued.

Pansage smiled, \_ "Ash... I'll... stay with you... until... my death. That's... my promise to you." \_

Ash smiled, "Prepare for tomorrow buddy, we will start to train your electric powers"

\*\*Its too hard to say goodbye to your love ones. But what will Ash do next?\*\*

\*\*Will he return to Pallet Town?\*\*

\*\*Could Pansage mastered his electric powers?\*\*

\*\*Stay tuned.\*\*

## 9. Reunion at Pallet Town

\*\*Thank you for reading my story. I hope you like it.\*\*

\*\*Enjoy!\*\*

After 6 months of training since Pikachu's death, Pansage mastered his electric power while Ash have a plan in Pallet Town.

\_ "Are you sure about this master?" \_Infernape asked as he stares to the boxes in storage room.

"I'm sure my friend, the time has come to return" Ash answered as he walk away, "Keep inventing buddy you'll become famous in the future."

\_ "Yeah, you can put any human in shame" \_Pansage added sitting on Ash's shoulder.

\_ "Right" \_Infernape nodded as he saw Ash creates a portal and enters.

Ash and Pansage appeared in a forest nearby Prof. Oak ranch and saw the quiet ranch with few PokÃ©mon around.

"HEY! BRING BACK MY PRECIOUS ROTOM! ITS TOO HARD TO CATCH ONE!" An old man shouted getting the attention of both Ash and Pansage.

"HAHAHA, YOU CAN'T STOP ME YOU FOOLS" Said by a poacher riding on a car as Prof. Oak fell down, exhausted.

"Gramps, Are you okay? That poacher is too strong" Prof. Oak's grandson said.

"And well prepared" The assistant added.

"Oh no he's too far away" A woman said.

"Hey what was that?" A trainer with a Pikachu on its shoulder asked as they saw an explosion. After the smoke gone, they saw the poacher hugging the case and Ash that they didn't recognize standing with his Pansage in battle stance.

"YOU'LL PAY FOR THIS!" The poacher shouted as he release Tyranitar, "Use Hyper Beam!"

"Dodge that" Ash said calmly.

Tyranitar opened its and fired a powerful beam but Pansage dodge and dash into front of it.

"Use Iron Tail on its head" Pansage's tail glows and hammered it on Tyranitar's head making it stepped backwards and scratch its head.

"Finish it with Leaf Blade"

Pansage creates a greenish blade and slashed Tyranitar making it fell down unconscious.

"WHAT! IMPOSSIBLE!" The poacher shouted as Pansage broke the cage and freed Rotom and it happily returns to Prof. Oak. "Well then, your worth it to catch" He added as he fired a cage to Pansage but the Leaf Blade is still activated so Pansage broke it easily.

Prof. Oak and his group just stared and speechless at Pansage while the poacher tries to flee but Pansage use his Vine Whip on its foot.

"Well then I will put you in jail" Ash said as he triggers a machine

on its hand and teleport it leaving a shock expression from Prof. Oak and his group. "Are you guys alright?" He asked while approaching the group while Pansage climbed on his shoulder.

"Umm... well... where okay" Ritchie answered.

"Yeah thank you for saving Rotom" Gary said.

"And I don't now how to repay you' Prof. Oak said.

"No need Prof. Oak" Ash said.

"Hey where did you teleported that poacher?" Tracey asked

"In the jail in Viridian" Ash answered

"Are you sure that poacher is in Viridian City Jail?" Gary asked

"Yep I'm sure and this is the proof" Ash said as he showed the gear on his hand with the name of the Viridian City Jail, "This device could teleport its target to any place, just pick the location and aim it to the target" he explained.

"Wow, nice one I want to have one" Tracey praised.

"Yeah, what's your name?" Ritchie asked

Before Ash can answer, Prof. Oak interrupt him, "Hey Delia something wrong? Why are you staring at him" he asked the woman besides Gary while pointing at Ash.

Delia walks in the front Ash and inspect him. "Umm... Ash is that you?" She asked leaving a shocked expression from everyone.

Ash smiles, "It will be a surprise if you didn't recognize me, mom" he answered. Delia give him a big smile and hugged him tightly, "My son, you're back and I miss you so MUCH" she said.

"I miss you too mom, where's Mimey?" He asked as his broke the hug.

"He is in my lab, my boy, he needs to rest after he knock by a Hyper Beam that almost destroy my lab" Prof. Oak answered.

"Yeah, and that poacher is too quick but no match on your Pansage and nice haircut Ash" Ritchie added.

"Welcome back Ashy boy and how did your Pansage learned Leaf Blade? A Pansage cannot learned that move" Gary asked.

"Well, its too hard to explain Gary boy" Ash answered with tease.

"HEY DON'T CALLED ME THAT!"

"By the way Ash, did you bring any new PokÃ©mon with you? I want to draw something" Tracey said

"Yeah me and Gary boy want to inspect it" Prof. Oak added with

tease.

"GRAMPS!"

"Umm... I'm sorry I didn't bring any PokÃ©mon with me except Pansage, some of them is just doing a friendly battle and some of them is resting in my house" Ash apologized, "But I can bring you in my place later" He added with a smile leaving a disappointed face from everyone.

"He didn't asked about Pikachu" Delia thought, "By the way son, can you tell us what happened after you leave 5 years ago" she said

"Yeah, maybe we should go back to the lab first" Ritchie suggested.

The group went into the lab and Ash cooked for breakfast after Prof. Oak's stomach growl.

"Wow Ash you're a great cook" Ritchie praised.

"Yeah my son is matured now" Delia added.

"And Ash the story" Gary reminded

"Okay, after I leave 5 years ago..." Ash began.

\*\*Flashback\*\*

\*\*"Thank you for joining me guys" he said to all his PokÃ©mon including Cilan's Pansage and Iris' Dragonite but without Pikachu. He decide to rest in Rock Tunnel nearby Cerulean City with all of his PokÃ©mon circled around him sleeping.\*\*

\*\*In the next day, Ash feeds his PokÃ©mon from the berries that he gathers and returned them after they finished eating except Pansage that decides to stay on his shoulder. As they continued to explore the cave, they don't know we're to go and Ash want a better place for his PokÃ©mon until they saw a dead end.\*\*

\*\*"Let's go back and went to the other way" Ash said which Pansage nodded but Ash notice something strange on the wall. He inspect it and Pansage notice an ancient writing in a rock on the side and gets Ash attention.\*\*

\*\*"Hmmm, Its written in Unown but I can read it" Ash said as he start reading, "Behind this wall is an hidden place, \*\*

\*\*only chosen one can see its grace.\*\*

\*\*The chosen one may have the permission\*\*

\*\*to the trainers with a good action.\*\*

\*\*It can opened in a simple way\*\*

\*\*with the chosen Pokemon's ray,\*\*

\*\*with the chosen one's aura and mind,\*\*

\*\*and with their power that will bind"\*\*
